

Gena's Key Points

[New Year's Great Expectations.](#)

As we start a new year, so many make resolutions; such as, I'm going to be a better Christian, more like Jesus, kinder, lose weight, stop smoking, quit drinking, etc.. We have good intentions but we are so prone to try to do what we can't in our selves We need to look to Jesus, the author and finisher of our faith. The thing is; before we start asking for this or that from Him, we need to ask Him to turn His searchlight on our hearts. My Mom, several months before she went home to be with Jesus, asked God to turn his search light on her. She wanted to make sure she had everything right between her and Jesus. She asked me if there was anyone she might have hurt. King David was a man after God's own heart. The reason was that he had a soft heart toward God. He was quick to repent when he did the wrong thing. Psalms 139:23-24 Search me, Oh God, and know my heart: try me, and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting. He not only asked for God to search his heart but to lead him in the right path. Read Psalm 54 to see how David approached God in repentance, asking for restoration. When Jesus went up to heaven, he sent us the Holy Spirit to be our helper, to convict of sin, to lead and comfort us. Everyone needs the Baptism of the Holy Spirit. He is our power and strength; our rest and refreshing, He anoints for service and witness. Even Jesus, as a man, accomplished everything through the power of the Holy Spirit. The Holy Spirit is for everyone who is saved. You do not need the baptism to get to heaven , but it sure helps.

Sunday School (cont.).....

Adults Class: “[Behold: A Perilous Journey](#)”

Scripture References:

Acts 27:1

Story Summary:

Festus sends Paul and other prisoners in the care of Julius, a centurion, to Rome. Julius makes connections by ship for Rome. Paul told him that he should not start on the latter stage of the journey to get to a port that was favorable for wintering. He told him there would be loss of cargo and ship but Julius did not listen. How many of us are guilty of refusing to listen to others or to God if we set our mind on something we want to do? Julius did not listen and all Paul said came to pass. Are we ready to bear the burden of disobedience? It always comes at a great cost. Let us purpose to hear God and do what He says without question. I want to see you in Sunday School at 10:00 on this first Sunday of the New Year. Let us start out right by putting **God first.**
