Acts:28

The passengers from the ship found their way to an Island called Malta and were well received. Paul used this occasion to minister by healing those with diseases. After three months, they went aboard a ship and finally arrived in Rome. Paul was able to have his own house and people came to him as he preached and provided his defense to the Jews at Rome. Are you willing to be the vessel that God can fill and use when, where, and how He chooses? I hope to see you in Sunday School at 10:00 A.M..
