[Double for our efforts](#)

Greetings in the name of our Lord JESUS, King of kings and Lord of Lords. As we enter this new year, many have a new years resolution. The first and foremost, we praise the Lord JESUS for keeping us through last year. I have peace of mind and joy that only God gives. My goal is to work towards my goal of a million souls to win for my JESUS. Pray that I reach my goal this year. Speaking of praying, this is a very important part of my goal. If we pray together for this goal we share in the victory. God said that we were members one of another. Our goal to win the lost for the the Lord. James 5:16 says, for us to pray for others that we may be healed. If you need healing pray for another' s healing and God gives us double. He heals the one that we are praying for and then he meets our needs, our prayers fervently, in faith gives us double for our efforts. It isn't that we shouldn't pray for ourselves , but when we put others as ourselves GOD sees the love that He commanded us to have is present and alive in your heart, especially when when we are praying for one we don't know, or don't like. GOD's word is true and HE is faithful. I want to see you in heaven. I'll pray for you.

Scripture References:

What time I am afraid, I will trust in God. Psalm 56:3

Story Summary:

Jesus and His disciples were crossing the Sea of Galilee when a storm threatened to sink the boat. Jesus slept peacefully until His disciples awoke Him. Jesus spoke just three words and met their need, "Quiet! Be still!" Jesus said and the wind and waves ceased. That day, the disciples learned that Jesus truly cared about their fears and could help them when they felt afraid. We need to trust in Jesus, their mighty and loving Friend.
