**Good morning and blessings** to all who made an effort to visit our Lord this morning. He has given us all an open invitation to visit Him any time or any place. Have we given Him the invitation to visit with us? Don't you think it's about time? Time is running short, remember what it says in **2 Peter 3:8; But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day.** And **2 Co. 6:2, (For he saith, I have heard thee in a time accepted, and in the day of salvation have I succoured thee: behold, now is the accepted time; behold, now is the day of salvation.)** Tomorrow may be too late. Won't you say, "Yes Lord, Yes, today." Think about it!

**Please keep in prayer:** our troops, government leaders, our Evangelists, Sister Mary Adams, Sister Bess Graham, Lay Witness For Christ Ministry, Dr. Sam and Sharon Mings, Israel, all churches, our prayer box, all the sick people, and the web site [gospellighthouseoutreach.com](http://gospellighthouseoutreach.com). We put prayer request from our members and from the web site into our prayer box then have the children come forth and help us pray over the names in the box each time we have service.

**Funeral Services set:** for Wes Lambert's mother, Edna Louise Thomasson, for Monday, Feb. 4 th, 1 p.m. at Mt. Olivet Funeral Home, located at 1221 E. Division, Arlington, Tx.. Viewing will be held Sunday, Feb. 3 rd between 3 and 5 p.m. If anyone would like to bring food, bring it to the funeral and Wes will see it gets to where the family will be. Our condolences go to her family.

**This is good medicine for all, by Joyce Meyer:** "God wants to make you whole. He doesn't want you to spend the rest of your life hurting." Think about it like this: If I have a headache, I take an aspirin to get relief from it. I have to swallow the pill for it to work. If I put it on top of my head, it won't do anything for me. God's Word is medicine for our spirit, soul and body, and the way we experience its power is by speaking it out loud, praying it to God, meditating on it, and believing it. When you speak His Word over your life, it releases that power into your life. It won't work for us if we just have a Bible and leave it on the shelf. We have to use it. God wants to make you whole, and what He's asking you to do is believe what His Word says more than you believe what you think or how you feel. Keep speaking His Word over your circumstances and in His timing. He'll complete the good work He's begun in you!

## We Can Still Follow Christ Whether Others Like It Or Not

Read Titus 1:1-16 & 1 Thes. 5:17

Things are changing so fast in this world today it makes you wonder what is going to happen next. Our fathers and grandfathers before us set things in order by using God's guidance and framework then passed it down to us. Today it seems as though we are leaving God out of everything homes, church, we're not even "one nation under God" anymore, and no longer want Him in anything that is happening.

We are slowly becoming an ungodly nation in a lot of ways. We put a lot of things before God, rebellion against God's word, false prophets, some want to have power when they don't even know what to do with the power they have, and some are trying to take God out of schools and business and government. What next?

Even in this society today we can still follow Christ whether others like it or want to or not. The false prophets are out today teaching whatever tickles their ears to put money in their pockets. They only care for themselves. These false prophets want you to denounce God and follow them. They have no convictions and want you to be the same. God gave his children discernment of the spirit to understand and without His voice to lead us we are lost and will listen to the worldly lies around us.

God's Word, in the Bible, is our road map to keep us on the straight and narrow road. We need the truth in us and around us. What is truth, God's Word is truth! We should read, study, apply that word to everything we do and keep it buried in our heads, hearts and souls. We should pray without ceasing. (1Thes. 5:17). God turns His face from sin. If we keep our eyes, hearts, hands and feet on Him and doing His work then we'll be too busy for worldly things to take root in us.

No matter how good we are, we are not perfect in this world. Even Paul was not perfect but we need to be like Paul. Paul, a servant of God, and an apostle of Jesus Christ, according to the faith of God's elect, and the acknowledging of the truth which is godliness; (Titus 1:1).

Read for yourself **1 John 2:22;** decide for yourself who is an antichrist.

**Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son.**

**Scripture for this week: Heb. 4:16; Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need.**
