

Gena's Key Points

[God So Loved!](#)

It was Palm Sunday and Joe had a sore throat. He stayed with a babysitter. The family came home with palm leaves. Joe asked what they were for. His Dad said that they were for waving over Jesus when he passed by. Joe said, 'leave it to me to stay home when Jesus shows up.' Jesus In the beginning God created the heavens, the earth and all other things. When He created Adam and breathed into him the breath of life, and put him in the Garden of Eden. After Adam named all the animals and God said that it was not good for man to be alone. God put Adam into a deep sleep and took a rib and made Eve, thus the 1st. husband and wife. Genesis 1-3. The one thing God said not to do was eat of the tree of good and evil, in the midst of the garden. Eve was tempted saw and she picked it and gave it to Adam and they ate. Sin began. Now there was a need for a redeemer. Jesus, God's only begotten Son. paid the ransom to redeem us, when he died at Calvary. He took the penalty of our sins. John 3:16 We must believe,(accept, live by and rely on.) Not just say it but, live it. !7 says that those who don't believe are condemned already. But were there's life there is hope. Sinner or backslider. why wait until it is to late? It's not God's will for any to perish. Why not now?

Testimonies added to GLO website last week

God has promised many things to us. We tend to forget that He is faithful and will do what He said He will do. His timing is not as ours, nor is He going to move before His time. What we have to do is stand in faith. Sometimes we lose faith. If we just don't forget to hold on to our hope. Trust the Lord with all your heart and lean not to your own understanding. It is like the old hymn says, count your blessings, name them one by one. Count your blessings see what God has done. and it will surprise you what the Lord has done. It builds our faith. Faith cometh by hearing, hearing the word of God. Now, for the praise report. My hands hurt so much. I use my hands alot. I prayed. I was a little better. They prayed, the same thing. The next morning I had a lot less pain by Wednesday night the pain was gone. I could play the piano and everything else I wished. Praise the Lord. I've been praying for my children for years. Johnny, who is in prison, has made a turnabout. He has quit smoking, and reads his Bible. He still has a ways to go. But what a difference. I see such a great difference in the other two. My oldest son has started going to church,. His attitude has changed .The youngest is drinking but I know that God is moving in his life. I know when the devil starts fighting, he's worried. It took being run over by a 1-ton van, 2 transmissions in the back and a tree trunk upside the head and living through it all. I see them all saved. I can't give up now God has done so much.

As the kids sing the song, be careful little ears what you hear....be careful little hands what you do... then be careful little feet where you go... But are we careful little mind what we think??? Talking to "all of us" we must be aware that the enemy is a roaring lion seeking whom he may devour! What we dwell on can become a snare if we don't repent and think right. Remember there's a Father up above looking down on us below, be careful little mind what you think. Guard you mind! Eze 11:5 And the Spirit of the LORD fell upon me, and said unto me, Speak; Thus saith the LORD; Thus have ye said, O house of Israel: for I know the things that come into your mind, every one of them.
