

## Gena's Key Points

### [A Working Relationship](#)

God and I have a working relationship. I pray, obey & do my very best. Then I trust Him to do the rest. My little part is such a small bit. By myself I'd never make it. God honors a yielded vessel. Through Jesus Christ I am fit. Christ in me, I am forgiven & I am on my way to Heaven. Here today & gone tomorrow, Don't be grieved with pain or sorrow. Jesus Christ may come today. That is why we must not stray. Jesus gives faith anew. With Him I'll make it through. There's no other way to Heaven, other than the way God has given. Come to Jesus & be not driven, He'll give you peace & joy today. That you've found the right way. God gave me this at 3:00 a.m. Jesus said **I am the way, the truth, and the life: no man cometh unto the Father, but by me.** John 14:6 Consider this; God made all things, including people. Does He not have the right to expect us to obey & love Him? He created us with a free will. We have a choice to live for Him or reject Him. It's our choice. Be it known that we receive a reward for our decisions. If we choose life in Christ, it's heaven. If we reject Him it's hell. God is a loving God & gives us so many chances to serve Him. His way is a way of love. One day we will stand before Him. What will be your reward? Heaven, I hope.

### Praise report from Helen: (A Friend of Bonnie)

I got my report back from pathology today. It showed I have adenomatous polyp that is not cancer but carries a long term risk of turning into cancer. I've got to call my Dr. and see if it's one polyp or more of them. I will need another colonoscopy in 3 yrs. Thank you for your prayers.
