March 2, 2014

Welcome to Gospel Lighthouse Outreach; We would like to extend a welcome to all of our **returning members**, returning guest and all new guest. Please make yourself feel comfortable. If you need prayer, we believe in the laying on of hands and the healing power of God. You are not alone on this. We do not want anyone to be in pain. So please do not hesitate to ask. We are also, an active church. Participation is encouraged. During Sunday school you can ask questions, insert comments, and Ideas. We do not want anyone to feel left out. So keep that in mind. During other times, If you have any questions about service times, dates, or about church information, you can ask one of our pastors or our deacon, Brother Horace. We love you and thank you for your service to God and your help for others.

Our scripture for this week:

But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.

Sunday School;

Adults Class: “Finishing Revelation chapter 12”

Rev 12:16

Discussion Summary:

And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth. Much discussion about this interesting book, has been fun and interactive from all. All of the books of the bible are very interesting but revelation is one of the books that most people are afraid of. Not because it is very hard to understand, but because they have heard from others that it is hard to understand. We hope that everyone is understanding and enjoying the bible lessons at GLO Church.

Class teacher; Sister Jeanette Dendy.

Last Sunday we had Pastor Frances give his testimony. God has really blessed that man. We are very thankful for his missionary work. God bless our missionaries. They are working hard for God in the “Front Lines”

We are excited to have the new sanctuary ready for church. We hope that you enjoy the new side, and hope that it brings your experience with God up a whole new level. All the stuff that we are planning with this new sanctuary will be for us to try to attract more people and get them out of the world and into a church where their mine can be on God.

We want to make the experience pleasant to everyone. There are 3 different type of people out there when it comes to presentations. The type that love to hold books/papers in their hands **[to move/turn pages as they feel]**, the type that love to have people in front of them **[live person is better for them]**, and the type that like to see the visual projection **[the bigger the better]**. Learning experiences are different for everyone because of the way they got used to storing information in their mind. That is why we would like to keep all three presentation message available at all times. There will never be a better way then doing all 3 methods. Never get rid of the books, never get rid of the pastors and/or singers, and hopefully we never have to get rid of the projection visual experiences that we are hoping to bring into the church.
