FROM THE PASTOR'S DESK

SUNDAY, 3-11- 2012

Blessed be the name of our Lord and Savior Jesus Christ!
For He is worthy to be praised. Amen!

We thank God for each one of you that have made an effort to be here today to worship in His house. It's no accident you are here for it was God who brought you. Why? Because He loves you and wants you to hear His word, repent of your sins and be saved. He wants you to be part of the harvest when He returns for His children. Today is the day of salvation. We are living in the end times and we don't have long to get our lives lined up to God's word. Don't put off till tomorrow what you need to do today!

Keep in mind to pray for our troops, government leaders, our Evangelist, Sister Mary Adams, Lay Witness For Christ Ministry, Dr. Sam and Sharon Mings, Israel, all churches, our prayer box, all the sick people, and the web site gospellighthouseoutreach.com . We put prayer request from our members and from the web site into our prayer box and pray over the names in the box each time we have service.

Our scripture for this week: 2 Co. 6:2

(For he saith, I have heard thee in a time accepted, and in the day of salvation have I succoured thee: behold, now is the accepted time; behold, now is the day of salvation.)

Sowing and Reaping:

Reaping and sowing what is the meaning? Sowing is to plant or scatter seed. Reap is to harvest. We hear of doing these things for others but what about our own self? As Christians we think sometimes others need repairs in their life and we scatter a few seeds and wait to determine if it will grow. But do we plant the seed in our own hearts and see the fruit of the harvest? Let the Holy Spirit talk to you about your own standing with God.

If we plant bad seed in our life we will reap the fruit of that choice later on. Satan would have us to think that our actions would have no consequences. But he's a liar and father of all liars. The seeds we plant are the results of our harvest in the future.

How we think, act and feel always reflect the person we are, as well as make an impact on what others think of us and our Christian life. When you look at others who are Christians, how do you feel about them when you see them do something out of the will of God? Do you think people of the world want to be like that when we say we're Christians? Why would the sinner want to change their life when they see no difference between your life and theirs?

God will forgive our sins for everything, except blaspheming the Holy Ghost, if we genuinely repent of them. We will always have a temptation in our life but His Spirit can help us to overcome. Repent and give your burdens to the Lord and leave them there. He will take it from there and mold you into the person He created you to be. Then just keep loving Him as He loves you.
