

Donna Worley

As most of you may have heard, that Sister Donna Worley will be leaving us at the end of the week to go live with her kids and grand kids in Florida. As a fellow member of Gospel Lighthouse Outreach, I can say that she will be greatly missed.

Sister Donna Worley and her husband Brother David Worley, first started coming to the church in Feb of 1990. Her and her husband David held many jobs in the church over the years and both played a role at Gospel Lighthouse Outreach. Brother David was one of the Deacons and Sister Donna was a Treasurer. For many years Sister Donna was the Teen Sunday School Teacher and loved her job. After the loss of her husband David, her family in Florida, has been inviting her to go live with them so that she can help with the spiritual upbringing of her grandkids. After long consideration she decided to go and stay with them, up there she will continue to do the work of the Lord. We will miss her.

Scripture References:

John 1:1 and continuing

Story Summary:

Jesus went to the pool, Bethesda, by the sheep market. Many people were there who were suffering from many kinds of disabilities. These conditions kept them from being able to lead a normal life. Jesus approached one man and asked if he would be made whole. The man told him he did not have anyone to help him get in the water when it was troubled by the angel. Many years he had tried and someone always got in before him. Jesus told him, "rise, take up thy bed, and walk". He did so and the Jews asked him why he was carrying his bed on the Sabbath. They could not even rejoice that he was healed. They showed no mercy and had no compassion. Do we get judgmental and legalistic in looking at others around us? Let us develop mercy and compassion in our dealings with others. We will be looking for you in Sunday School at 10:00.
