

Gena's Key Points

[Forgive and Forget!](#)

This is a subject I have learned a lot about. It has been a journey. It is easier each time you do it. I'm not totally there but I am a lot closer than I was. Forgiveness is for your benefit, not the one who hurt you. Usually they just go on and forget it. I will give you an incident that happen to me. How God brought me through. I was living in New York and the pastor of our church had let us put the electric in her name. All went fine, I paid my bills. Until one day she got angry at me and had my electric turned off. It was in the middle of winter and we were all electric, including the water. We lived almost 20 miles out of town and the weather was freezing. We had no heat, no water No way to do anything. God spoke to my heart and said to forgive her. I realized that I needed to forgive her and I had settled it in my mind that I was going to. I really didn't feel like it. I cried out to God and asked for help because I didn't feel like it. I was abused and very hurt. Jesus just loves for us to ask for help when we are willing but not able. It took a while but, Praise God I stayed with her when she was in the hospital, twice. In the Lord's prayer it say's, forgive us our trespasses as we forgive those who trespass against us. Love covers a multitude of sins. Jesus said on the cross, forgive them, for they know not what they do. We also need to forgive and in time forget.

Adults Class: "[Behold: Jesus Revealed](#)"

Scripture References: Acts 7:47

Story Summary:

Stephen is stoned and devout men carried him to his burial and mourned his death. Great persecution came against the church at Jerusalem and Christians were scattered to regions of Judea and Samaria except for the apostles. Saul, who had been caretaker of the cloaks of those who stoned Stephen, began putting Christians in prison and showing no mercy to them. Everyone who had been scattered was going everywhere preaching the Word. Philip went to Samaria and was preaching about Jesus. Healing and deliverance followed his ministry. Simon, a sorcerer who had deceived many people, believed what Philip was preaching. The apostles heard about this and Peter came to help. None had yet received the Holy Ghost and Peter began to lay his hands on them and they received the Holy Ghost. Simon offered to buy this gift from the apostles and Peter corrected his thinking. Peter told him his heart was not right before God and his money would perish with him. He was told to repent so that he might receive forgiveness for his wickedness. He received that correction and asked Peter to pray that none of those things would come upon him. How about you? In what spirit do you receive correction? God is honored when we receive correction with an attitude of repentance.
