[Epistles known and read of all men!](#)

Pastor John began his sermon on Sunday morning with this statement. " I have good news and I have bad news. The good news is that we have the money to pay off our church this week. The bad news is that it is still in your pockets." Support your local church with your tithes and offerings. When you obey God, He will open up the windows of heaven and pour you out a blessing. Now that I've done a little meddling I'll get into the word. What does people learn about God through our lives? Do they see a loving, caring, compassionate God; Not willing that any should perish? 2 Peter 3:9 God is holy and we must follow His example. Honestly I have seen Christians that were cruel, heartless, and their motto is to do unto others before they do to you. Not the golden rule, Do unto others as you would have them do unto you. Matthew 7:12 Their ways are selfish, self centered, their prayer is God bless me, my four and no more. I like those bracelets that have wvjd. We need to consider how we treat people. I was shunned and abandon because my son went to prison. Some show sinners contempt. We never knew the Lord to turn one away because they were sinners. We are to be the instruments to show people the love Jesus had for them when He paid our ransom at Calvary's hill. God so loved the world he gave us Jesus. Oh the sadness of my heart when I hear people say that Jesus was just a good man. The song writer said it so beautifully, He left the splendors of heaven, knowing his destiny, T'was a lonely hill called Golgotha, where He laid down His life for me. If that isn't Love...." Good people are sometimes good with bad motives. Is your heart right with God? How do you present Jesus, God's Son, through your actions and words? Do you feel that you are better than others, do better or have more? Jesus said to repent. Are you loaded with pride? We must be aware of the devil's devices. Lord Jesus, forgive us of our sins of haughtiness. sin of pride , selfishness, greed, unconcern, faithlessness, hopelessness, mistrust and help us be led by your Holy Spirit and show people what you are really like. God's word says that we are members of one another. Ephesians 4:25 Would you receive Christ if your witness was witnessed to you of someone else? Our goal is to win all we can. Think about it. I want to see all of you in Heaven some sweet day. I've got to make it, whatever it takes. Love in Christ sis. Gena.

[Bonnie Blair 7/6/2015](#)

We, my husband, niece and myself, went fishing on Monday, 7/6/15 to Ray Robert's Marina. We were on the North side of Denton on I35 W. when an 18 wheeler came over from the right lane to the left lane where we were. Larry slammed on the brakes and moved over to the left as safely as he could. I screamed, "Oh Jesus!" Larry said nothing but I could feel Mandy bracing herself against the back of my seat. I could say lucky we were but not hardly. The driver of the truck speeded up and Larry was slowing as much as possible when the truck was only about a foot ahead of us. My niece works for the police dept and she called in and reported his actions to the police in Sanger, Tx. He never stopped or slowed down. She gave the police the driver's license number, truck trailer number, who the truck owners were and that he was speeding, and the exit number he had just passed. I hope they stopped him. I saw he was a heavy set guy with a pony tail. But I just want to give God the glory for if it had not been for Him I don't think we would be here today. Yes, we went on fishing and caught 24 fish. So we were blessed again. Thank you Lord.

The people were hungry. They had been traveling in the desert for many days. When they ran out of food they started complaining. God told Moses that He was going to give His people food from heaven.
