GOSPEL LIGHTHOUSE OUTREACH CHURCH

“ THE CHURCH ON THE HILL “

From the pastor's desk :

Sunday, 8-5-2012

Welcome to one and all. We extend open arms to all of you to visit and worship our Lord together as a family of God. We will treat you so many ways you are bound to find one you like. If you have to church home, you are welcome at G.L.O. Church.

Keep in prayer: our troops, government leaders, our Evangelist, Sister Mary Adams, and Bess Graham, Lay Witness For Christ Ministry, Dr. Sam and Sharon Mings, Israel, all churches, pastors and our prayer box, all the sick people, and the web site gospel-lighthouseoutreach.com. We put prayer request from our members and from the web site into our prayer box and have our young people to help pray over the names in the box each time we have service.

Thoughts for the day:

1. "Life without God is like an unsharpened pencil - it has no point."
2. Been taken for granted? Imagine how God feels !
3. Finding the real Jesus: Life's greatest discovery !
4. Need a new life? God accepts trade-ins

The Power of the Bent Knee

"Thoughts For Today to Brighten Your Day"
by Glenn, Mercedes and Lauren Hitchcock

Luke 18:1

And he spake a parable unto them to this end, that men ought always to pray, and not to faint;

Have you ever watched a bird sleeping on its perch and never falling off? How does it manage to do this? The secret is the tendons of the bird's legs. They are so constructed that when the leg is bent at the knee, the claws refuse to let go until the knees are unbent again. The bent knee gives the bird the ability to hold on tightly to his perch.

Is this not also the secret of the holding power of the Christian? Daniel found this to be true. Surrounded by a pagan environment; tempted to compromise with evil, urged to weaken his grip on God, he refused to let go. He held firm when others faltered because he was a man of prayer. He knew the power of the bent knee.

From sleeping birds we can learn the secret of holding things which are most precious to us—honesty, purity, thoughtfulness, honor, character. That secret is the knee bent in prayer, seeking to get a firmer grip on those values which make life worth living. When we hold firmly to God in prayer, we can rest assured He will hold tightly to us.

Heb. 4:14 - Seeing then that we have a great high priest, that is passed into the heavens, Jesus the Son of God, let us hold fast our profession.

****Note**** This article was sent to me from my cousin, Annette, who lives in Florida. It was a great inspiration to her and wanted to share it with others. Thanks to her she is always sending articles to me to read. Some of us don't spend enough time on our knees in prayer. Annette and I were emailing back and forth recently concerning the people who are not steadfast as they use to be when it comes to our spiritual walk with God. And now is the time we should be drawing nigh unto Jesus as we possibly can. For the end times are very near and we need salvation more so than ever. A little kneeology never hurt any one. God bless us all and all Christians please pray for salvation for all the lost, all pastors and churches. I'm sure intercessional prayer is still in style for those who believe. Amen! If you have something please give it to me and we will check it out.
