

## Gena's Key Points

### [Can we tie the hands of God?](#)

Hello, how are you? God keeps me as well as I allow Him to. Someone asked me this question at Wal-Mart and this is the answer that came out of my mouth. It surprised me. I got to thinking about it. How true this is. We do determine how God deals with us. Matthew 13:1-8 v8 But other fell into good ground, and brought forth fruit, some an hundredfold, some sixtyfold, some thirtyfold. This tells us that some folks give God 100 percent, some 60, some 30.. God has no partiality. We have a choice. Psalms 66:18- If I regard iniquity in my heart, the Lord will not hear me: God knows our deepest thoughts. Jeremiah says in 17:9 the heart of man is deceitful above all things and desperately wicked: who can know it? When we harbor envy, strife, bitterness, jealousy, hatred, etc. Romans 1:16-end of chapter. You have to have faith to receive from God. But as Galatians 5:6 says that faith worketh by love..So, we must love God and His people. 1 John 5:2- By this we know that we love the Children Of God, when we love God, and keep his commandments 3. For this is the love of God, that we keep his commandments; and his commandments are not grievous. 3 John2- Beloved, I wish above all things that thou mayest be in health and prosper, even as thy soul prospers. Are we in position to prosper? It is your choice . God desires to bless all His own Genna

## Testimonies added to GLO website last week

[Shirley Foxworthy, we've been praying for her.](#) Posted 8/17/16

**UPDATE: Shirley Foxworthy [Geneva, AL](#) · (We've been praying for her)** Thanks for all the thoughts and prayers everyone! I have been having some health issues and have had some recent lab tests and had a colonoscopy earlier today. Thankfully all the tests, including the procedure today, have all come back ok. Due to some lab results, My doctor made a change in a medicine I have been taking and everything has improved a lot, so I am a happy girl! Thanks for all the well wishes and concerns, much love to all.
