[Only God Can](#)

It was in the late 70's, My 3 sons were young. God blessed me with Tammy, she was about 11 at this time. I had an nerve problem, called T.I.C. Neuralgia on the right side of my face. The pain was so intense that my eye would draw outward. I managed these attacks with shots of B12 . It took 2 shots a week for 3 to 4 weeks to stop the attack. With each shot the pain lessened. It was about 2 to 4 weeks between attacks. The closest thing to a cure was major brain surgery and that only would cut the nerves to where I couldn't feel the pain. I didn't want anyone to mess with my brain. The thought of cutting into my brain, unless it was life or death was out of the question. These rounds of attacks went on for months. We had decided to move to Texas, from Florida. We had been there about a week and another attack hit. I was standing outside the telephone office on the phone and the pain was so bad. A hot tear ran down my right side of my face, I said," oh Jesus." The pain left instantly. I have never had another attack since. That has been over 35 years ago. The doctor said that they could very little for me. Just the shots or maybe surgery. Through the name of Jesus I'm cured. I give God glory and praise for all He's done. As time goes on I will testify of all the miracles God has done for me. Am I super special to God? No More than any other faith believing, blood bought Christian. What He's done for one He'll do for all. One must ban obedient, believing Christian. We all have sinned and come short of the glory of God, [Rom. 6:23], but if we confess our sins , He is faithful and just to forgive us our sins and cleanse us from all unrighteous.[1 John 1:9]. When I was born my folks were on the evangelistic field. I've been a Full Gospel Church almost all my life. I thank God for that. Even in the 7 years i as a very disobedient child God took care of me. God is faithful.

Story Summary:

One day Christ will meet us in the air, but not on the earth, going to battle with satanic forces. Defeating them and throwing them into the lake of fire. After that, Jesus and His army of the redeemed will rule over the earth for a thousand years.

Class teacher; Wesley Lambert

Kindergarten Class: "[God Helps Lot Escape](#)"

Scripture References:

The Lord knoweth how to deliver the godly. 2 Peter 2:9

Story Summary:

This story is about God protecting Lot. First, God's angels protected Lot from a violent crowd. Then God held back His judgment until Lot was safe. As you present this lesson, focus on God's protection for Lot and not on the judgment of Sodom and Gomorrah. Help children learn that God knows where His children are, even when they, like Lot, are in the midst of terrible evil. God takes care of His children, no matter what the circumstances. Teaching children to seek God for His help and protection.
