Scripture References:

The father of the righteous shall greatly rejoice; and he that begetteth a wise child shall have joy of him. Proverbs 23:24

Story Summary:

Joseph was the apple of his father's eye. He had what every child wants and needs-the knowledge that he is special. Jacob gave Joseph a special coat so that he would know how special and loved he was. Our children need to know that they are special in their families. We need to help motivate them to care for their own special family members.
