

## Gena's Key Points

### [Superman](#)

When I was growing up, I used to watch superman. He always helped people out of their troubles but I know a man, fully man and fully God that paid the price of redemption. He doesn't have to be concerned about kryptonite or any other thing. He is not a sugar daddy, or a genie. He doesn't fix things magically. He is the Son of God. Matthew 28:18 tells us that all power in heaven and earth are His. Jesus is great and greatly to be praised. John 3:16 says that God so loved the world, that he gave his only begotten son and whosoever believeth on him should not perish, but have everlasting life. God operates on faith, belief, trust, and expectation. If we believe on the Lord Jesus Christ we will be saved. The key word is believe. I looked up this word in an older Webster's Dictionary and this is what it said. Believe - to accept as fact, live by, and rely on. This changes a lot of peoples truth. It is not just knowing that Jesus is a good person. A lot of people believe that. If they truly believed they would live differently. Jesus said if you love me keep my commandments. The reality of being a Christian is a beautiful life. Jesus is our source, our provider, our healer, our deliverer. We need to trust him to take care of what we can't and trust him to know when and how. We sometimes are our worst enemy when we lose faith and do not stand when times are not at their best. The Lord Jesus is a loving, patient, saviour. He sent His Holy Spirit to help us and guide us. He sits at the right hand of Father God, making intercession for his own. Men's hearts are extremely wicked. The more I live, the more wickedness I see. So many have made a reproach of the truth of a loving savior. There are those who are deceived because of the cares of this life; money, fame and so on. Jesus is more super than any other man. He left the splendor of heaven and paid the price of sin with his blood. He knew we could not do it on our own. We pray, believe, and trust Jesus to do the rest. With his help we are victorious. We trust and obey. He paid the cost at Calvary and now we can make it.

## Sunday School (cont.).....

### Adults Class: "[Behold: Evil Spirits Encountered](#)"

Scripture References:

**Acts 19:13**

Story Summary:

Unbelieving Jews observed the ministry of Paul and tried to practice using Jesus' name to command spirits to come out of people. Because they had no relationship with Jesus, demons did not submit to them when they used Jesus' name. Seven were attacked and beaten, left to flee naked from an encounter with a demon possessed man. The people saw this and were afraid. They were convicted of using "curious arts." They burned their books and objects used in these practices and turned to Jesus. How about you? Are you willing to let go of everything that hinders your walk with God? By: Bonnie Rogers

There are many things some believe that are not quite true. None of us know it all. There are people of different religions that believe that Jesus is the Son of God. That He died on Calvary's tree and was resurrected on the third day. We will be viewing one religion that has a lot of mistruths. We are studying on the truths and mistruths of their religion. There are those that are truly saved.
