

We are going to start sending out newsletters to members of the church, that are unable to make it to church. These are for people that have been active members of **Gospel Lighthouse Outreach**, but cannot make it due to inaccessibility. This will not be for people that just want to sleep in on Sunday or to people that want to catch the Sunday game. These will be for people that would be at church if they had a way. We are excited to send the newsletters out, to show them that they are missed and that we Love all of our members very much. They are always in our prayers and they are very much a part of us. If you know someone that would like to become **members, receive newsletters, and/or visits from the pastors**, please let us know. We are always happy to help anyone that wants to serve the Lord Jesus Christ and have new friends in the Lord.
