

## Gena's Key Points

### [Should A Christian Vote?](#)

Let me start out with an old saying, if you don't vote, you can't complain. We are a democratic country and there are those who are trying to take away our freedom and make America a socialist nation. God made man a free moral agent when he created him. Adam and Eve chose to rebel and give their perfect world to be corrupted by the devil and sin. America the beautiful was founded on biblical principles. We were given the right to choose within the moral law, "Do unto others as you would have them do unto you. " There has always been laws to stop those who usurped the rights of others. Freedom, in it's simplest form, is to do what you choose as long as you don't take away the freedoms of others. A thief steals something that another person has rightfully gained. Do you choose to be ruled by persons who steal your right to own property, live where you wish, and worship however you choose? As it is, there are those who choose not to believe the bible. That is their privilege but they have no right to kill those who disagree with them. Jesus said in Matthew 11:28 Come unto me, all ye that labour and are heavy laden, and I will give you rest. Mat 11:29 Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. Mat 11:30 For my yoke is easy, and my burden is light. 1 Peter 3 10-12 For he that will love life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile: 1Pe 3:11 Let him eschew evil, and do good; let him seek peace, and ensue it. 1Pe 3:12 For the eyes of the Lord are over the righteous, and his ears are open unto their prayers: but the face of the Lord is against them that do evil. My Lord is a loving Lord. We are supposed to reprove evil. When we don't vote we are passive and don't obey the truth. We are given the privilege to fight for the right by voting for those who stand for Biblical principles. This country was established on them and they have served us well. Why would we put our nation in the hands of those that want to rule with a rod of iron and speak death to the infidels. Please use your right to vote.
