Voting time:

Remember to cast for your candidate. Does it matter? That is up to you. It may never come down to your vote, and your candidate may not win, but what chance do they have if you and many others like you don't vote for them? Very slim! I believe that the elections are really getting important because the candidates are causing much difficulties on the people. Their decisions are hurting this country more and more. Some things that we as Christians should consider are...

1. **Keep God first.** Don't get side tracked on money. You need values more than money. If you lose values your money and honor will be quick to disappear.
2. **Voice your opinions.** Don't keep quiet because they will think that nobody cares about the issues if nobody talks about them.
3. **Listen to the opposing sides opinions.** Our candidates may not believe everything we do, so we need to choose the person that helps out the most.
4. **Do not pray for your candidate to win,** instead pray for Gods will to be done. Also, pray for wisdom on your choice. Do not wait until you go to vote before you pray for wisdom. You need to pray about it, when the thought crosses your mind.
5. **Don't be selfish.** Keep in mind that it's not all about you. It's about what is going on with the big picture. Think of the choices that the candidates are making from their point of view. Remember they don't always see our points of view.
6. **No matter who wins, pray for both candidates.** They both think that they would help the people out more. When they have good intentions they deserve our prayers.
7. **Pray, pray, pray.**

Zacchaeus was an important tax collector and a wealthy man. But he was also a man hungry for Jesus. Jesus knew Zacchaeus' heart and called the tax man. That day, a changed Zacchaeus said "I give half my money to the poor. And if I have cheated anyone, I will pay him back four times." This reminds us that Jesus can save anyone who comes to Him!
