## Testimonies added to GLO website last week

[People are still being saved even in the streets of Ft Worth, Texas](#)

Two gentlemen today give their hearts to God, Jenna and Sister Adriana lead them in the sinners prayer.

Praise his name, we are really excited that God is on the move. We took hot chili and hot chocolate along with the word of GOD, which was icing on the cake.

It was a little cold but when your handing out Bibles and praying and seeking God you really don't think about it. Just knowing Gods people are taken care of for now is worth it. When we got there and set up we where about 30 strong there was 25 kids, teens, and elders form another church, we introduced ourselves and the church we represent and set up next to them. They brought chicken soup and water I think they liked the hot chocolate more than the homeless. All and all, it was fun and exciting can't wait tell next time. GOD BLESS

### Kindergarten Class: "[David the Shepherd Boy](#)"

Scripture References:

**The Lord is my shepherd; I shall not want. Psalm 23:1**

Story Summary:

**Before David killed Goliath, his courage was tested by a lion and a bear. David fought off both these fierce predators with nothing more than faith, courage, a stick and a sling. The courage to fight Goliath began with the courage to protect his flock. We need to understand that courage is something that is developed one deed at a time. If we courageously stand for right in small things, our courage grows for "big" things. God will give us courage if we will just ask Him.**
