GOSPEL LIGHTHOUSE OUTREACH CHURCH

“ THE CHURCH ON THE HILL “

Pastors: Bennie & Jeanette Dendy

Don't Be Ashamed of God

We, as Christians, have a battle every day as do the soldiers that protect our homeland. Our battle is not physical but an inward battle with our walk with Christ. Some people think Christians should be perfect. Who ever made this statement God bless them for the good thought but none will be perfect this side of heaven but we are searching for perfection through Jesus Christ. But we are not ashamed of our Heavenly Father. He loved us enough to send His Son to die for all our sins.

Man can make, pass and legalize all the laws they want to on how they think Godly behavior should be. But God's word and principals haven't change and never will. Does the world try to change laws to make their way of living right when they know they are wrong? The Christian is slowly loosing their rights while the world and people like Madelyn O'Hara are trying to tear God down as well as others that are in leadership of this nation.

But I can say this, the United States was founded on the principles of Scripture. And has been going down ever since because the people are loosing out on their walk with Christ because they are not steadfast . Some think we are living in the days as back in Sodom and Gomorrah.

Prayer and Bible readings were banned from our public schools. The Ten Commandments were removed from government buildings. God gave these Commandments to Moses and was written on stone tablets, all ten of them.

Some states recognize same sex marriages although God's Word forbids homosexual acts (**Lev. 20:13**). The name of Jesus has gotten to where it's a forbidden word. **But we can always pray!**

We should stand up for what we believe and live a Godly life and not be ashamed of God, His Son or the Holy Spirit. (**Phil. 2:10-11**); **10. says, that at the name of Jesus every knee should bow, of things in heaven , and things in earth, and things under the earth; 11. And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.**

I suppose it all depends on two things, heaven or hell! Where do you want to spend eternity? The spiritual base of this nation has got to change. That change must start in our homes and the house of God! And not be ashamed of our Lord and Savior, Jesus Christ, His Father or the Holy Spirit!
Amen!

Welcome to all. We are glad each of you are here with us.

I'd like to ask a question. not to be answered publicly, but just think about it. **Why do you attend church?** Some say this: 1. For spiritual growth and guidance. 2. I can stay grounded in faith. 3. To worship God. 4. Fellowship with other members. 5. I believe in God. 6. I was brought up that way. How steadfast are we in our Christian actions?

It matters not our reasons for being in God's house except that we love God the Father, Jesus Christ the Son and The Holy Spirit. How can we love all three, that is called the Trinity, if we don't attend church. His word says in **Heb. 10:25, Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching.** That day is approaching fast! Really all of the above are good reasons that help us. But to reach heaven we have to follow God's roadmap which is the Bible! Believe that Jesus shed His blood and died for us all, for without the shedding of His blood there is no remission of sin. We can't just go to church and be saved or ride mom or grandma's dress tail in because they were Christians. It's a long road and you have to go down it by yourself. No one else can do it for you. Without God, Jesus and the Holy spirit rooted in your temple, the heart, you'll never make heaven. That is why in my heart, I try to reach out to each of you who walk through that door, to give your hearts to God, repent, believe, keep the faith, be steadfast, unmovable always abounding in the works of the Lord! God bless you all because we love you and pray for each of you. We try to say or do things to help new people along so then they may help others. It doesn't matter if it's testifying, singing or whatever. We want all to feel as apart of this church family. Let's invite others so the family grows! God bless us all!

Remember to keep in prayer: our troops, government leaders, our Evangelist, Sister Mary Adams, Sister Bess Graham, Lay Witness For Christ Ministry, Dr. Sam and Sharon Mings, Israel, all churches, our prayer box, all the sick people, and the web site gospellighthouseoutreach.com . We put prayer request from our members and from the web site into our prayer box and pray over the names in the box each time we have service.
